

Bulletin #3 February 2023

THE 12nd FAI WOMEN'S WORLD GLIDING CHAMPIONSHIP WWGC2023

1. **Fees:** The entry fee is now €945 it reflects the increase in FAI entry fee of €35 and the rental fee of the IGC Trackers of €25. The original entry fee on the bid was €890.

We are reducing the aero tow fee to: **€70**, pending of the approval by the IGC, from the €75 indicated on the Bulletin #2. At the time of writing this bulletin, fuel costs are 19.3% higher than, when we made the bid (in Y2019) and the situation is very uncertain. The rise of cost of living was 20.2% since March 2019.

2. **Making an Official Entry:** Official entries are due by **31 March**. To make an Official Entry, teams should follow the indicated steps in the Local Procedures Document. Payment must be made by bank transfer. See the details on Bulletin #2.

4. **Registration documents:** You must send the requested documents (license, ARC, ...) using the following link, one for each document to our website: <https://bit.ly/12WWGCdocuments>
Upon your arrival to the championship, will be checked with the documents that you sent this way
5. **Reigning Champion:** Due the fact that the IGC changed the WWGC cycle from even to odd years, we are in the situation (already solved on the IGC Bureau) that the World Champion in 18 meter class from WWGC2022 and the World Champion from WWGC2023 in the 18 meter class, both will be invited to participate on the WGC2024 in Uvalde, TX, USA.
6. **O₂:** The LEGY airfield is quite high, 1060m AMSL and during the July time-frame is not unusual to have ceilings of 4500m AMSL, so if you are interested on **O₂** refills, please contact the airfield operations, so we can estimate the demand and adapt the facilities.
7. **VISA:** If you need a letter of invitation in order to apply for a Visa of entrance into the EU, please send an email with your personal data to info@wwgc2023.org
8. **Non-EASA licenses:** If you have a NON EASA pilot license, please contact info@wwgc2023.org to get the NAC procedures to get the temp permission.
9. **Aero-tow ropes:** The organization will **NOT** supply the aero-tow ropes. There is a requirement for competitors to bring their own aero-tow ropes with **TOST rings**. Please bring your ropes properly identified.
10. **Watering points:** In the airfield will be several points to fill the water canisters, please do not forget to bring your canisters.
11. **WhatsApp:** The Organization will be using **WhatsApp** for all the communications within the competition, so bring a phone with that app installed.
12. **Contacting Team WWGC2023:** You can email the organizing team at info@wwgc2023.org with any questions at any time.
